

## TECHNICAL INFORMATION SHEET: HEALTHCARE SR

Product description:	Healthcare SR is a high strength vinyl wallcovering on a non woven backing, produced with a strong stain resistant (SR) toplayer. This coating (SR) repels dirt and prevents hard to remove stains (such as blood) migrating through the vinyl. The SR coating is also resistant to various aggressive detergents		
	Healthcare SR is treated with anti-microbial Bio-Pruf® and therefore perfectly suited for use in healthcare and similar disciplines
